

Anesthesiology Critical Care Medicine Fellowship Training Summative Evaluation

Resident/Fellow Name: _____

Training Program: Anesthesiology Critical Care Medicine Fellowship
University of Colorado School of Medicine

Period of Training: July 1, 20 to June 30, 20

This is to verify that _____, M.D. has successfully completed the Anesthesiology Critical Care Medicine Fellowship at the University of Colorado School of Medicine.

Summary of Previous Training (if applicable)

Dr. _____ completed residency training with the Name of Program from Date to Date.

Dr. _____ completed fellowship training with the Name of Program from Date to Date.

Dr. _____ successfully completed our training program on June 30, 20 .

During the course of her training, Dr. _____ progressively gained proficiency in all areas of clinical Critical Care Medicine. His/hers skills as a clinician and and intensivist steadily advanced during the course of their training. Dr. _____ achieved ongoing improvement in the six ACGME General Competencies.

The following is derived from a composite of multiple evaluations by supervisors in this fellow’s rotations and experiences during his or her fellowship training. The evaluation is based upon the Accreditation Council for Graduate Medical Education (ACGME) General Competencies, which define the essential components of clinical competence.

	Unsatisfactory	Satisfactory
Medical Knowledge		
Patient Care		
Professionalism		
Communication and Interpersonal Skills		
Practice Based Learning		
Systems Based Practice		

Fellow performance during the final period of training was unsatisfactory/satisfactory in all evaluation sub-categories and on all evaluations. All faculty evaluations during the final year judged him/her competent to complete the Anesthesiology Critical Care Medicine Fellowship program.

In summary, I verify that _____, M.D. has demonstrated sufficient competence to enter practice without direct supervision in the specialty of Critical Care Medicine.

 Jason C. Brainard, MD
 Program Director
