EMPLOYEE OF THE MONTH

Amy Hester was the employee of the month for August 2015. Some of her deserving qualities are:

[Amy] is the Jane of random information that is necessary to know in the department, she steps up to the plate whenever something needs to be taken care of and does it without issue, and overall a strong contributor to the department.

When team members need help with a task or project, Amy is always willing to help and does so with a smile. If she notices a process that can be improved, she is quick to offer a new idea or solution.

Additionally, her sense of humor and upbeat personality help make the office a fun place to work.
